

HUMAN SERVICES

ASIAN COUNSELING AND REFERRAL SERVICES

Seattle, Washington

\$ 500,000

This organization offers a full range of specialized, culturally competent human services and behavioral-health programs to primarily low-income Asian Pacific American immigrants living in Rainier Valley, south of downtown Seattle. This grant-funded project entails the construction of a new community center that will offer a full continuum of services and consolidate programming at a single site.

ATWOOD COMMUNITY CENTER

Madison, Wisconsin

\$ 500,000

This community-based human-services agency, located between a low-income and gentrified part of a former working-class area, serves low-income residents and minorities through a variety of services, including child care, a food pantry and senior programs. Grant monies will be used to renovate a 47,000-square-foot historic ironworks site for use as a new community center, which will include a gym and fitness facility, community-meeting space and an on-site playground.

BOYS & GIRLS CLUBS OF BOSTON

Boston, Massachusetts

\$ 1,000,000

This organization serves 13,000 youth, including many from minority and low-income backgrounds, through five clubs, four Community Learning Centers and a Youth Service Providers Network. Grant funding will go toward the expansion of the Blue Hill Club, including the addition of a teen center, auditorium, indoor pool and children's center, and will increase the club's outreach to the predominantly African-American and Caribbean communities of Dorchester/Mattapan.

BOYS & GIRLS CLUBS OF BUFFALO

Buffalo, New York

\$ 100,000

This neighborhood-based organization provides youth-development programs primarily to economically disadvantaged families at 15 locations throughout Buffalo and surrounding communities. Grant monies will support the renovation of an existing facility, enabling the Boys & Girls Clubs of Buffalo to expand access and services to additional youth living in low-income and minority neighborhoods.

BOYS & GIRLS CLUBS OF SOUTH PUGET SOUND

Tacoma, Washington

\$ 1,000,000

The Clubs' after-school programs fill a critical need for supervision, academic tutoring, social support and recreation among youth, ages six to 18 years old, in high-crime, low-income areas. Through this grant, the organization will construct the Milgard Family Center in Gig Harbor, the first in a series of multi-use facilities designed to promote collaboration among nonprofit agencies serving youth and families.

BROOKLAWN CHILD & FAMILY SERVICES

Louisville, Kentucky

\$ 330,000

Founded in 1851 as an orphanage, Brooklawn has become a comprehensive treatment and education center for vulnerable children and youth with serious emotional disturbances resulting from physical and sexual abuse, neglect and abandonment. This grant will support the construction, and anticipated LEED certification, of three new residential cottages and a new horticulture center, enabling the center to reduce its waiting list and to serve more clients.

CARE AND SHARE FOOD BANK

Colorado Springs, Colorado

\$ 750,000

This food bank, the only one serving southern Colorado, distributes food to a network of 400 partner agencies in 31 counties, including soup kitchens, food pantries, shelters, day-care centers and senior centers. The construction of a new warehouse, enabled by this grant, will help Care and Share meet the increased demand for its food distribution services.

CHILDREN'S BUREAU OF SOUTHERN CALIFORNIA

Los Angeles, California

\$ 1,000,000

For a century, this organization has been dedicated to the prevention and treatment of child abuse, and the strengthening of families and communities throughout Southern California. A new Family Support and Development Center, supported by this grant, will provide very young children and their parents with a full spectrum of medical, dental, mental-health and legal-aid services, and promote adult education and economic-development opportunities.

THE CHILDREN'S CENTER

Salt Lake City, Utah

\$ 1,000,000

The center treats children suffering from psychiatric disorder, domestic violence and neglect, and provides training for University of Utah interns and consulting services for local community mental-health centers statewide. This grant will enable the center to renovate a 100-year-old school building in downtown Salt Lake City for use as a LEED facility, with easy accessibility and proximity to other community-service agencies.

THE CHILDREN'S VILLAGE INC.

Dobbs Ferry, New York

\$ 600,000

The agency's residential and community programs annually impact more than 6,000 children who are traumatized by abuse and neglect, experiencing mental illness, exhibiting behavioral problems and facing transitional living circumstances, such as homelessness or reunification with their families. This grant-funded project includes the renovation and expansion of a recreation center at the Dobbs Ferry campus, which will serve 500 youth.

CHINESE COMMUNITY CENTER

Houston, Texas

\$ 350,000

This Asian social-services agency, the largest of its kind in the southwestern United States, serves 7,000 families, including at-risk children, youth, adults and seniors facing employment and education barriers due to illiteracy, limited language proficiency and inadequate skills. The renovation of a replacement center, funded by this grant, will provide multi-use facilities, including a gymnasium, emergency shelter and indoor recreation and sports-enrichment space.

CHRYSALIS CENTER INC.

Hartford, Connecticut

\$ 450,000

This agency provides rehabilitation, health-care and housing-support services to extremely vulnerable individuals and families struggling with homelessness, mental illness, substance abuse, HIV/AIDS and poverty, and seeks to foster personal independence and reintegration into the community. This grant will be used for a LEED-certified renovation of an old dairy, which will provide services and resources for Chrysalis clients.

CRISPUS ATTUCKS ASSOCIATION INC.

York, Pennsylvania

\$ 600,000

This multifaceted, inner-city community center and development agency assists low-income and minority residents through programs focused on housing rehabilitation, computer literacy, employment and training, and child-care, youth and senior services. The construction of a 28,000-square-foot, environmentally sustainable Early Learning Center with capacity for 175 children will perpetuate the tradition of nurturing young people in a supportive environment and preparing them for future leadership roles.

EPWORTH CHILDREN & FAMILY SERVICES

St. Louis, Missouri

\$ 500,000

At-risk youth and their families receive assistance from this agency through an array of programs targeting mental and physical health care, income support, affordable housing, child care, parenting, life and vocational skills, transportation, food assistance and education. Grant monies will be used for facility renovations and the development of an endowment fund.

FAMILY SERVICES INC.

Winston-Salem, North Carolina

\$ 100,000

This family-services organization addresses the needs of a highly diverse, low-income population by offering counseling and shelters for children and families victimized by domestic violence and sexual assault, and by providing Head Start education and adoption and family-counseling services. Family Services will construct a new facility, with the anticipation of LEED certification, on a redeveloped former industrial property, enabling it to meet the expanding and changing needs of families.

FOOD BANK OF THE ROCKIES

Denver, Colorado

\$ 500,000

With more than 700 partner agencies and 900 hunger-relief programs, the food bank distributes enough food to prepare more than 16 million meals annually to those in need, including an increasing number of children. This project will support the purchase and renovation of an existing 106,000-square-foot warehouse, enabling the food bank to meet increasing demand by expanding its storage and distribution capacity.

FORGOTTEN HARVEST INC.

Southfield, Michigan

\$ 400,000

As the third-largest fresh-food-rescue program in the nation and the only one of its kind in Southeast Michigan, Forgotten Harvest collects food from 350 donors and transports it to 120 charitable organizations for immediate use. To accommodate its growing operations, the organization will use grant monies to purchase and renovate a more centrally located facility for use as a food-distribution center.

GIRLS INCORPORATED OF LYNN

Lynn, Massachusetts

\$ 850,000

As one of the largest and most successful Girls Inc. branches in the nation, this organization provides after-school programs designed to help low-income, high-risk girls in a diverse, high-poverty community north of Boston, stay in school and pursue educational and career opportunities. Grant monies will support the purchase and renovation of a vacant, historic school building for use as a headquarters and clubhouse facility.

GREEN CHIMNEYS CHILDREN'S SERVICES INC.

Brewster, New York

\$ 400,000

This residential treatment center has pioneered the use of nature-based therapies and activities, including wildlife rehabilitation, organic gardening and an equine program, for treating at-risk children and youth with behavioral, emotional, social and learning challenges. Grant funding will be used for the renovation of the health center and horse barn, and to establish an endowment.

HANDICAPPED DEVELOPMENT CENTER

Davenport, Iowa

\$ 400,000

This center offers an array of vocational and life-skills activities for adults with developmental disabilities in four key program areas: employment, personal independence, physical therapy and community residential services. To provide expanded programming space, the agency is utilizing grant funding to renovate a recently purchased commercial building in an area that is undergoing redevelopment.

LUTHERAN SOCIAL SERVICE OF MINNESOTA

St. Paul, Minnesota

\$ 1,200,000

Owned by the six Minnesota synods of the Evangelical Lutheran Church in America, LSS offers adoption, financial, refugee, counseling, housing and other services to children, youth, families, seniors and disabled and disadvantaged clients at 325 locations around the state. Grant monies will support the construction of an environmentally sustainable replacement facility, enabling the agency to expand its programming and access to supportive services for low-income residents.

NEIGHBORHOOD HOUSING SERVICES OF NEW HAVEN

New Haven, Connecticut

\$ 175,000

As the largest nonprofit home-ownership development program in New Haven, this organization develops energy-efficient housing and provides access to home-acquisition opportunities, as well as counseling and education, for first-time, low- and moderate-income home buyers. This grant will be used to renovate an existing urban structure for use as a Home Improvement and Energy Conservation Laboratory, with LEED certification.

OZARKS FOOD HARVEST

Springfield, Missouri

\$ 500,000

In addition to supplying food to local Salvation Army branches, emergency shelters, soup kitchens, group homes and domestic-abuse shelters in southwest Missouri, this food bank has pioneered innovative programs, such as Food for Thought and Club FUN, which contribute to children's health and well-being. This grant will be used for the construction of a replacement facility that will provide more storage space and consolidate operations at a single location.

PREBLE STREET

Portland, Maine

\$ 1,000,000

Established in 1991 as a food pantry and soup kitchen, this organization has transitioned from providing shelter services to adopting a comprehensive model that emphasizes permanent housing and supportive services for chronically homeless individuals. This grant will support the organization's program-expansion campaign and advance its efforts to reduce the human, social and economic toll of homelessness.

SECOND HARVEST FOOD BANK OF SANTA CRUZ AND SAN BENITO COUNTIES

Watsonville, California

\$ 400,000

Operating through a network of 160 member agencies, this food bank distributes more than five million pounds of food annually to very low-income Latino families and seasonal agricultural workers in the Pajaro Valley region. This grant will enable the organization to expand its warehouse facility and to accommodate ongoing growth in food distribution and community education and volunteerism.

THE SENIOR SOURCE, SENIOR CITIZENS OF GREATER DALLAS

Dallas, Texas

\$ 350,000

This organization offers extensive programs and services to disadvantaged elderly individuals, including employment counseling, elder care, home companion, guardianship, financial management, volunteer services for retirees, advocacy and nursing-home ombudsman activities. This grant targets the purchase and construction of a replacement senior center to meet increasing demand for senior services, with plans to secure the appropriate level of LEED certification.

SYNERGY SERVICES INC.

Parkville, Missouri

\$ 840,000

Homeless, abused and neglected youth in the seven-county metropolitan Kansas City area are extended a helping hand through the agency's crisis-intervention and residential services, which include a 24-hour hotline, domestic-violence emergency shelter, children's center, teen center and thrift store. This grant-funded project involves the construction of a new Homeless Youth Shelter and a Youth Development and Resource Center on a five-acre campus.

VALLEY YOUTH HOUSE COMMITTEE INC.

Allentown, Pennsylvania

\$ 200,000

Homeless, abused, drug-involved and troubled youth in Bucks, Lehigh and Northampton counties can find emergency shelter, counseling, life-skills instruction and youth-development services at Valley Youth House. This grant will help the agency purchase and renovate Camp Fowler, and add camping, therapeutic recreation and adventure-based programming to its existing treatment options for at-risk adolescents.

WESTCHESTER ARC

White Plains, New York

\$ 450,000

This pioneering human-services agency serves the developmentally disabled in Westchester County through a variety of programs, including a Children's School for Early Development, residential services, pre-school and inclusion classes, respite services for caregivers, adult day services and more. Grant monies will enable Westchester Arc to build a new headquarters facility in Hawthorne and allow it to consolidate its administrative offices while providing additional meeting and performance space.

WEXFORD RIDGE NEIGHBORHOOD CENTER INC.

Madison, Wisconsin

\$ 475,000

Functioning as a grassroots community center, Wexford Ridge serves adults, youth and families in a low-income apartment building through broad-based programming in youth development, health and fitness, intergenerational arts and performing arts and Junior Achievement. This grant will allow Wexford to build and seek LEED certification for a new 12,000-square-foot community center featuring flexible-use spaces, a food pantry, technology-training room and classrooms, and to expand its clientele and service offerings.

WOODS SERVICES FOUNDATION

Langhorne, Pennsylvania

\$ 415,000

This institution has been providing primarily residential services to youth and adults with developmental, emotional and physical disabilities, as well as those with brain injuries and age-related illnesses, since 1913. Grant monies support the construction of a new medical and employee-training center that will support the ongoing professional development of Woods' staff.

YMCA CAPE COD

West Barnstable, Massachusetts

\$ 750,000

As the only YMCA on the Cape, this organization serves 250,000 year-round residents with programs, such as preschool ballet, child care and arthritis aquatics, and also provides a safety net of human and social services through community outreach and partnerships with other agencies. The Y's renovation and expansion of its multi-service facility will enable it to continue providing affordable, accessible community-based programs and services.

YMCA OF FOND DU LAC

Fond du Lac, Wisconsin

\$ 1,200,000

This YMCA has demonstrated a strong commitment to preserving and strengthening the downtown area while increasing opportunities for low-income families and serving as a model for collaboration among nonprofits. This grant will enable the organization to renovate and expand its existing facility, which in turn will increase programming for underserved residents and bolster the city's downtown redevelopment.

YMCA OF SOUTHERN INDIANA

Jeffersonville, Indiana

\$ 500,000

The YMCA's fitness, wellness and recreational facilities, combined with programs and services for all age groups, make it a multifaceted center for community-based activity and outreach. A collaborative project to build a facility and aquatics center in New Albany will enable the Y to expand into Floyd County, support New Albany's downtown redevelopment efforts, and meet the needs of low- to moderate-income families living in the city.

YOUTH EASTSIDE SERVICES

Bellevue, Washington

\$ 800,000

YES is the only agency in East King County that provides culturally competent, comprehensive mental-health and outreach services to youth and families, regardless of their ability to pay. Grant monies will go toward the construction of a new multi-service center and the expansion of satellite offices, enabling the organization to augment its services and capacity.

YOUTH VILLAGES INC.

Memphis, Tennessee

\$ 1,000,000

With four residential treatment facilities and eight group homes, this organization provides a continuum of care services for abused, neglected and severely emotionally troubled children and their families in middle and west Tennessee. Grant monies will go toward the construction of a Girls Intensive Residential Treatment facility for young women, 11 to 18 years of age.
